

Street Resurfacing, Alley Resurfacing, Curb Repairs, & Sidewalk Repairs

What?

Repairs to fundamental infrastructure (streets, alleys, curbs, and sidewalks). The final selection will be based on recommendations from CDOT and surveys examining existing conditions of infrastructure.

Where?

Throughout the entire 49th Ward.

Why?

To improve and update the critical fundamental infrastructure to improve the mobility of residents and visitors alike.

How Much?

The final cost will be determined by an average percentage vote (0-100% of \$1M).
